CYBERSECURITY: A PRIORITY FOR HEALTHCARE DELIVERY

The graphic features a dark blue background with a white shield icon containing a cross on the left. A circular portrait of Dr. Sabina Magalini is positioned next to the session title. On the right, an illustration shows a person in a yellow shirt and green pants interacting with a large tablet displaying a heart and ECG. A speech bubble above the person contains the text 'PANACEA Project'. A green cross icon is visible at the bottom right of the illustration.
