PANACEA PAC WORKSHOP Introduction

4 May 2021

Funded by the European Union's Horizon 2020
Research and Innovation Programme, under Grant Agreement no 826293

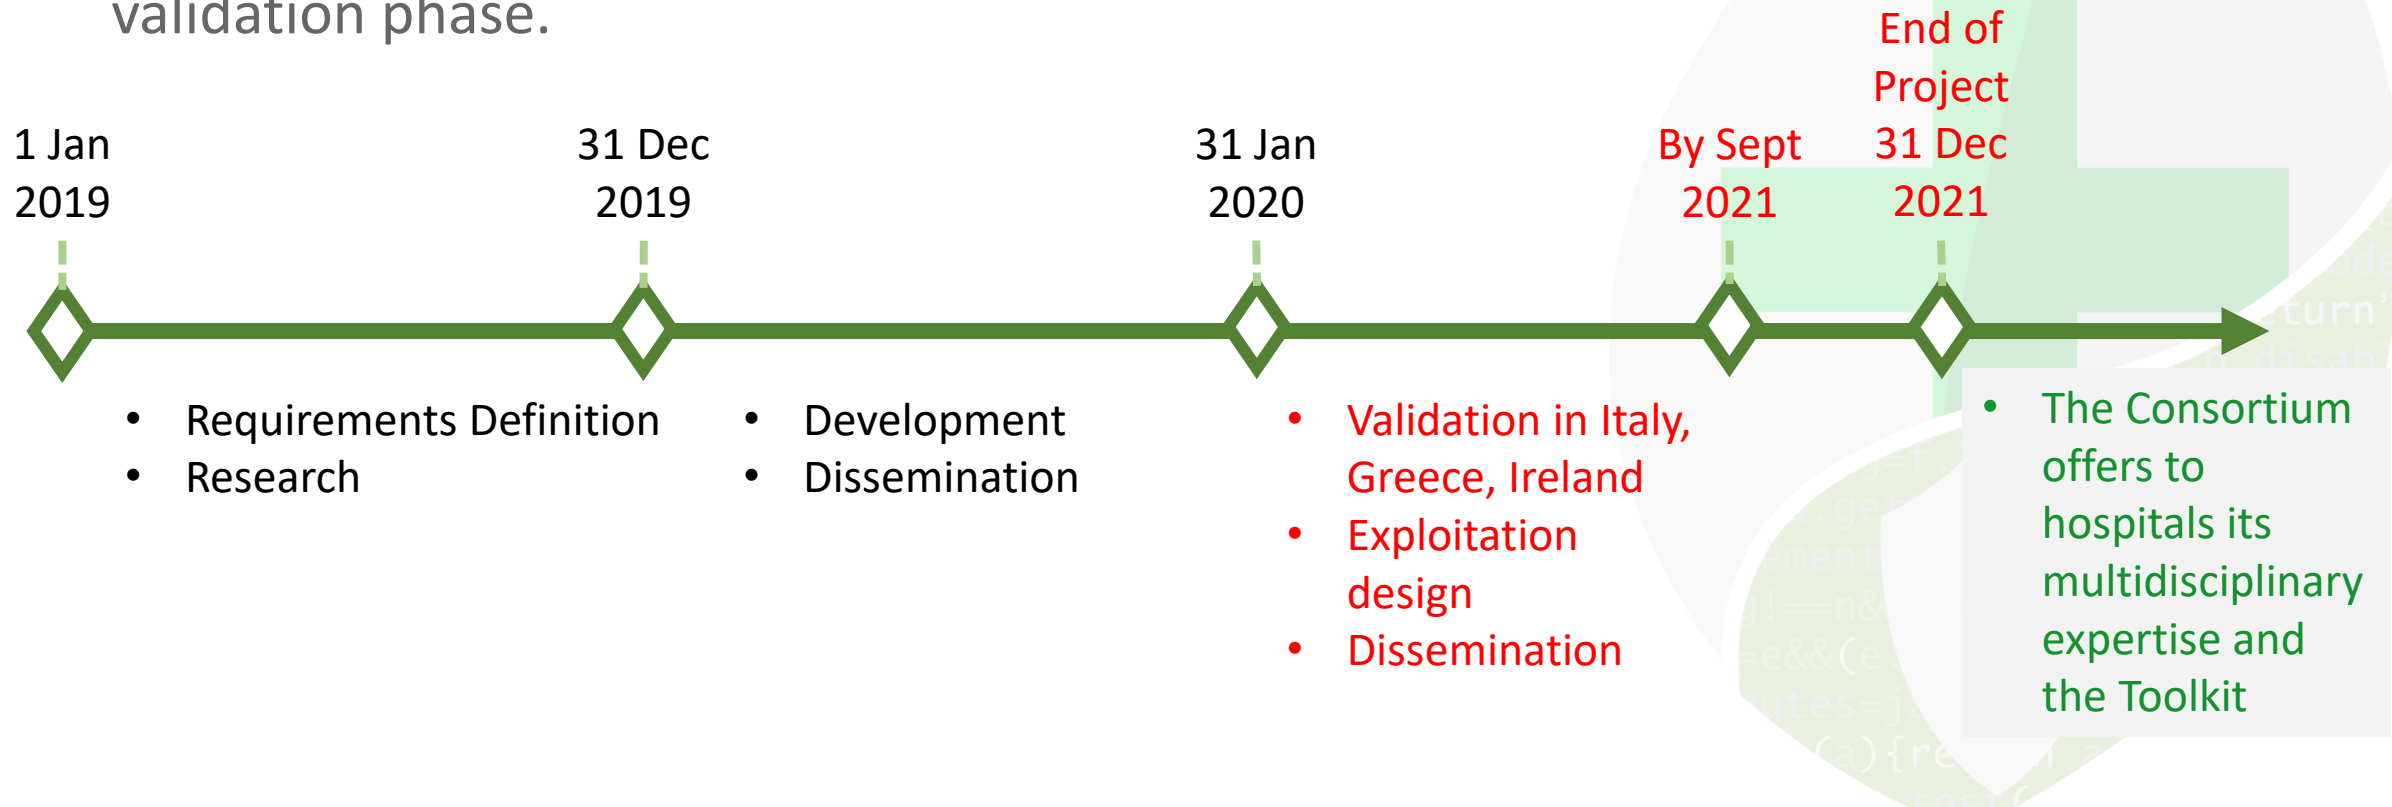

Welcome!

The Project ... and the “after-Project”

- PANACEA Project started in January 2019 and **will end this year, in December**.
- We, as a **Consortium of 15 Partners**, have developed **seven tools** to assess and improve cybersecurity readiness of healthcare providers; now we are in the validation phase.

Thanks!
